

Personal Breakdown Cover Policy Wording

1 June to 30 September 2017 - v1

Your Journey
Our World

Thank you for choosing personal breakdown cover from the ETA.

You will have already noticed that we are different.

Over the last 27 years, we have earned a reputation for being efficient, friendly and environmentally friendly. Our growth over that time has never been at the expense of our excellent customer service; we have an average response time of under 40 minutes and fix over 80 per cent of vehicles at the roadside.

Much has changed over the last two-and-a-half decades on Britain's roads, not least the relentless increase in the number of cars. The tally is 30 million, and yet fewer than 5,000 of the vehicles registered in 2013 were ultra-low emission. The need to improve the environmental performance of the cars we drive, but more importantly, the way we use them, is as great today as when we started the ETA in 1990.

As part of our continuing commitment to the environment, we work hard to promote safer and more sustainable transport. When you buy a policy from us, you help fund campaigns such as our Safer Crossings campaign, a project that helps local community groups and schools get zebra crossings installed on the streets that need them most. Thank you for helping to make this work possible.

On behalf of our team, I welcome you to the ETA and wish you safe travels this year.

Yours sincerely

Andrew Davis

20. Any claim for vehicles or vans with a carrying capacity exceeding 3.5t.

21. Any claim for vehicles used in any sort of competitions, rallies, pace making or off-road use.

4. **Your vehicle** must be serviced in accordance with the manufacturer's recommended service intervals by a garage registered for VAT. The garage completing the service must complete the **vehicle's** service book and the receipt should be retained.

5. **We** will repair or replace those components listed in this policy for parts and labour up to the maximum **claim limit** or, up to the **market value** of the **vehicle** (whichever is lower).

6. All labour times which fall within the **claim limit** are in accordance with the current **ICME** manual.

7. If at the occurrence of a claim any other insurance exists which would entitle the insured to indemnity, then this policy shall only contribute its rateable proportion of such loss.

8. In the event of a claim **we** reserve the right to call for a contribution from **you** for betterment should the repaired **vehicle** ultimately be in a better condition or have a better value than it enjoyed immediately prior to the occurrence of the claim.

9. **We** reserve the right to subject the **vehicle** and/or failed component to expert assessment.

12. **We** reserve the right to specify the use of guaranteed exchange or factored parts. The parts liability for any claim will be limited to the cost of these components.

13. If **we** accept that there is a claim under this insurance, but there is a disagreement in respect of the amount to be paid, the disagreement will be referred to an arbitrator appointed in accordance with current statutory provisions. In these circumstances the arbitrator's award must be made before there is any right of action against **us**.

14. Any costs related to diagnostic work will not be covered.

Conditions applicable to Auto Repair

1. In the event of any occurrence giving rise to a claim, **you** must follow the 'making a claim' procedure detailed. Failure to meet these conditions will forfeit **your** claim.
2. Cover for repairs will only apply where the **ETA** have attended a call out and recovered **you** to a garage as a result of a **mechanical and/or electrical failure/breakdown**, of a covered component.
3. Cover is only available if **your vehicle** is less than ten years of age or has less than 100,000 miles on the clock at the start date of the policy and is not an excluded make.

Rapid response pledge

If the repair/recovery operator does not arrive within one hour of **our** receipt of **your** request for assistance (except for any delay beyond the control of the driver such as road closure, snow, mud, sand, flood, if the **vehicle** is inaccessible, there are adverse weather conditions or because **you** did not provide accurate information concerning the location of the **vehicle**), the **ETA** will pledge to pay you £10.

Claims must be made to the **ETA** customer care department within 14 days of the call-out.

Special exclusions applicable to the Rapid Response Pledge

The rapid response pledge does not apply to:

- **European** assistance, or
- Any recovery arranged by the police, or
- Customers who owe the **ETA** money currently or at the time of the incident.

If a complaint has been made to **us** regarding the incident, payment may be made on resolution of the complaint.

Equitable rescue policy

Should **you** have more than three **breakdown** call-outs (or claims) per policy per year **we** will request documentary evidence that the **vehicle** in question is being properly serviced and maintained. In the case of **personal breakdown** cover, where documentary evidence cannot be obtained for all **vehicles** for which call-outs have been made, documentary evidence of the **vehicle** used most will be required. Payment for further callouts will then be provided at **our** discretion. **We** would never refuse to assist an **ETA** customer.

No claim discounts

This discount is only available on selected levels of cover if **you** have not claimed for a full policy year.

Road traffic collisions

If the incident has been caused by a road traffic collision, the **ETA** will cover costs of the call-out, however the service provided will be dependent upon the level and type of cover **you** have purchased. **You** should contact **your** motor insurance provider in the first instance to confirm that **your** cover will not be compromised by a recovery by the **ETA**.

For free advice regarding any personal legal problem, including in the event of a road traffic collision, call our legal services on **0345 389 1050** and quote your **ETA** number.

Travel in the rest of Europe

We will provide a service in the territorial limits (**European Union**) where the maximum duration of any single trip is not planned to or does not subsequently exceed 90 days in any one policy year.

When **we** have all the required information, **we** will liaise with our European network and **you** must remain contactable to avoid any delays.

During public holidays, many services such as repairing garages will be closed. **We** will not be held liable for any delays this causes.

In the event of a **breakdown** on a motorway or major public road within the territorial limits (**European Union**), **we** are sometimes unable to assist **you** and **you** will often need to obtain assistance via the SOS phones. The local services will tow **your** vehicle to a place of safety and **you** will be required to pay for the service immediately. **You** can then contact **us** for further assistance. **We** will pay up to £150 towards reimbursement of the costs, but **we** will only reimburse claims when we have received copies of valid receipts accompanied by a brief covering letter detailing **your** **ETA** number and the details of **your** claim. Payment will be made in accordance with the exchange rate on the date of the claim.

Customer verification

From time to time and for reasons outside of the **ETA's** control, there may be instances whereby **our claims administrators** are not able to verify/locate **your** policy on their system. In these circumstances they will contact the **ETA** to confirm that cover is in place. However, should this fall outside of the **ETA's** opening hours **you** will be offered a 'Pay on Use' claim where, **you** will be required to provide credit card details in order for assistance to be provided. **Our claims administrators** will contact the **ETA** at the earliest opportunity and should **your** cover be confirmed then no payment will be taken from **your** credit card.
