

Cycle Insurance Policy Wording

(Annual)

1 April 2018 to 31 March 2019 - v2

Your Journey
Our World

Thank you for choosing cycle insurance from the ETA.

We might not have a household name, but as Britain’s most ethical breakdown company, we find other ways to stand out from the crowd. Whenever you buy your cycle insurance, home insurance, travel insurance, breakdown cover or mobility scooter insurance, you make possible our campaigns to promote sustainable transport. For example, in 2017, with the help of our trusty vintage van, a team of travel planners and bicycle mechanics - all armed with reams of information about walking, cycling and public transport - we put on fifty free public events.

We don’t think messages about sustainable transport need always be serious. When the roads froze earlier this year, we built our very own zero-emissions gritting vehicle. One of a number of tongue-in-cheek projects we undertook to highlight zero-emissions travel. If you would like to keep up to date with all our campaigns and projects, make sure you are signed up to receive our weekly email newsletter.

On behalf of our team, I welcome to the ETA and wish you many miles of happy cycling this year.

Best wishes

Andrew Davis
Managing Director

Cancellation right

You have the right to cancel this policy within 14 days of the start date of the policy without giving any reasons and you will receive a full refund unless a claim has been made. We may keep an amount that reflects the administrative costs of arranging and cancelling the policy. Should you cancel after 14 days we will refund you with an amount proportionate to the unexpired period remaining on the policy, unless a claim has been made.

The ETA reserves the right to withdraw and cancel insurances if you fail to pay premiums or installments of premiums on demand, or fail within seven days of a written request from us, to provide any documentation or information required by us. In the event of our cancelling a policy after its beginning or its renewal, our fees or commission will not be returnable.

The insurer shall not be bound to accept renewal of any insurance and may at any time cancel any

insurance document by giving 14 days notice in writing where there is a valid reason for doing so. A cancellation letter will be sent to you at your last known address. Valid reasons may include but are not limited to:

- a) Where they reasonably suspect fraud
- b) Non-payment of premium
- c) Threatening and abusive behaviour
- d) Non-compliance with policy terms and conditions
- e) You have not taken reasonable care to provide complete and accurate answers to the questions we ask.

If the insurers cancel the policy and/or any additional covers you will receive a refund of any premiums you have paid for the cancelled cover, less a proportionate deduction for the time they have provided cover. Where their investigations provide evidence of fraud or misrepresentation, they may cancel the policy immediately and backdate the cancellation to the date of the fraud or the date when you provided ETA Services Ltd with incomplete or inaccurate information. This may result in your policy being cancelled from the date you originally took it out and they will be entitled to keep the premium. If your policy is cancelled because of fraud or misrepresentation, this may affect your eligibility for insurance with UK General Ltd, as well as other insurers, in the future.

Compensation scheme

Great Lakes Insurance SE is covered by the Financial Services Compensation Scheme (FSCS).

You might be entitled to compensation from the scheme, if they cannot meet their obligations. This depends on the type of business and the circumstances of the claim. Most insurance contracts are covered for 90% of the claim with no upper limit. You can get more information about compensation scheme arrangements from the FSCS or visit www.fscs.org.uk.

Please note that any information provided to us will be processed by us and our agents in compliance with the provisions of the Data Protection Act 1998, for the purpose of providing insurance and handling claims, if any, which may necessitate providing such information to third parties. We may also send the information in confidence for processing to other companies acting on their instructions including those located outside the European Economic Area.

What should I do if I am involved in a road traffic collision?

Be safe

Get yourself out of the road and to a footpath or kerbside or somewhere safe if you can. If you're unable to move, ensure you're visible and try to attract help from passers-by.

Call the police and ambulance

Always contact the police and call an ambulance if you are injured. The police can help with exchange of details and their reports could prove crucial. Get the details of the attending police officer and an incident reference number.

Exchange details

You must exchange personal and insurance details after a collision. You may not have insurance cover, but all motor vehicles on a public road should do. Get names and addresses, vehicle registration number as well as make, model and colour.

Get witnesses

Get details of any independent witnesses as well as the driver of the vehicle that hit you. If you can't do this yourself, ask a passer-by for help. If the vehicle that hit you didn't stop, still get witness statements as you can claim via the Motor Insurer's Bureau (MIB) who will pay out if the accident was a 'hit and run' or the driver cannot be traced.

Get photographic evidence

Take photos (ideally time and date stamped) on your phone of the vehicles and the scene (distances from junctions, road markings or signs) precisely as the accident happened. Don't let the driver of the vehicle that hit you move it before you take photos. Ask the police if there is CCTV footage showing your collision. If you have a helmet cam, video from that can also be used as evidence

Put everything down on paper

When you can, write a full account of the accident and draw a sketch plan. It's always worth asking for a copy of the police reports too.

Get checked out by your GP

No matter how minor your injuries may seem, always visit your GP and get checked over at the earliest possible opportunity.

Keep all receipts

Keep receipts/bills/estimates for the cost of repair/replacement to your bike, clothing, helmet and accessories and the damaged bits of your bike. Keep records of costs you've incurred for treatment, travel to medical appointments or lost earnings.

Call a solicitor

If the collision wasn't your fault, you may be entitled to compensation. As you have cycle insurance with the ETA, you have access to a legal helpline on [0345 389 1050](tel:03453891050)
