Pregnancy and childbirth

Each person covered under this policy is separately insured. The exception to this is **children**, who are only insured if they are accompanied by an adult who is also named as an 'insured party' on the **schedule** for this policy.

Is this cycle travel insurance suitable for you?

This policy might suit **you** if:

You have lived permanently in the **United Kingdom** for at least 6 months prior to taking out this cover, and are registered with a **medical practitioner**.

You have:

- The appropriate passport and/or visas required for **your trip**;
- Are not travelling or acting against medical advice;
- Received any vaccines, medicines or inoculations which are required for **your trip**.

You have any pre-existing medical conditions, and **you** have declared these as part of the medical screening process.

You and your travelling companions named on this policy meet the age limits for cover: Aged 74 or under for trips within Europe; Or aged 69 or under for all other worldwide destinations. For annual policies the age limit applies at the start date of your policy. For single-trip policies the age limit applies on the day you first travel

This policy will not suit **you** if:

You have not lived permanently in the **United Kingdom** for at least 6 months prior to taking out this cover, or **you** are not registered with a **medical practitioner**.

You do not have the appropriate passport or visa, or are travelling against medical advice, or have not received the required vaccines, medicines or inoculations for **your trip**. This policy will not cover anyone who is not able to meet these requirements.

You require cover for pre-existing medical conditions which **you** have not declared during medical screening. **We** will not cover any claims for pre-existing medical conditions which **we** have not accepted in writing.

A **relative** has a pre-existing medical condition. **We** will not cover any claims for Section A1, Cancellation & Curtailment, relating to pre-existing conditions of **your relative**, see section A1 for more details.

You or **your travelling companions** do not meet the age limit requirements for cover.

Basis of cover

Medical emergencies

You must seek the advice of a **medical practitioner** before **you** incur any cancellation or **curtailment** costs prior to **your trip**. If **you** are already on **holiday** then **you** must speak to **our** medical claims team before **you** incur any expenses. Cover under section B on page 6 for medical expenses will not apply to **trips** within the **United Kingdom**.

Policy limits

All sections of this policy have limits, which is the maximum amount that **we** will pay if **you** make a claim. These are shown in the 'Summary of cover' and '**Your cover**' sections. There are also specific and reduced limits for the following:

- **Personal effects** and baggage – a deduction is made for wear and tear for certain items, refer to page 13. There are also specific limits for **single items, valuables**, claims on behalf of **children** and items where **you** have no proof of purchase (e.g. an original receipt or insurance valuation).
- **Personal money** - claims on behalf of **children**.
- **Personal accident** - claims on behalf of **children** aged under 18, and adults aged over 65.

Period of cover

The **period of cover** **you** have selected will be shown on **your schedule**. This is either:

- Single-trip: The policy will only operate for the duration of **your holiday** shown on **your schedule**, with the exception of cancellation cover (section A1 on page 6), which is effective from the date of issue shown on **your schedule** and expires on the date that **you** start **your holiday**.
- Annual multi-trip: The policy will operate for the 365 day period shown on **your schedule**. During this time any **trip** within the **geographical limits** is covered, as long as it does not exceed 31 days. Cancellation cover (section A1 on page 6) is effective from the start date of **your** policy or the date that the **trip** is booked – whichever is later – and expires on the date that **you** start **your holiday**.

In all cases all other sections of cover will commence on the date that **you** start **your holiday** and will expire:

- Either on the end date of **your trip** as shown on **your schedule**; or
- When **you** return to the **United Kingdom** and end **your trip** - whichever of these occurs first.

If **your** return to the **United Kingdom** is unavoidably delayed by an event which **you** are claiming for under this policy, then the duration of the **period of cover** will be automatically extended if required, to cover the delay.

What to do in the event of a medical emergency

You must tell **us** immediately if **you** need to go into hospital, so that **we** can confirm **your** cover before **you** incur any expenses. The claims handler will direct **you** to an appropriate medical facility and may also be able to guarantee **your** costs. Failure to notify the claims handler may affect **your** claim and result in **us** not paying part or all of **your** costs.

Contact **our** claims handlers as soon as possible quoting the following:

You must retain all receipts for any medical or additional costs which **you** incur. Please refer to 'Making a claim' on page 32 for details of these.

Medical screening questions

The following questions apply to all persons insured under this policy

You must tell **us** about all medical treatments, appointments, tests, investigations, medical conditions or illnesses that apply to **you**, or anyone named as an 'insured party'

Medical screening questions

The following questions apply to all persons insured under this policy.

You will have been asked these questions when purchasing **your** cover. However if **you** answer 'YES' to any of the four questions below - and **you** have not already told **us** about these conditions and received written confirmation of them from **us** - please call **0344 573 4171** as soon as possible.

A pre-existing medical condition is any illness, **injury**, disease or condition which:

- **You** are currently receiving treatment for; or
- **You** are waiting to receive treatment for; or
- **You** have previously received treatment for in the past.

'Treatment' means any consultation, session, advice or diagnosis from a **medical practitioner**.

We are not able to offer cover for any medical conditions where **you** are travelling against medical advice.

Have **you**, or anyone named as an 'insured party' on **your schedule**

Ever:

1. Received a terminal prognosis?
2. Suffered from, been investigated for, treated for or diagnosed with:
 - a) Any cancer or malignant condition; or
 - b) Any lung, heart-related condition, or circulatory condition including angina or hypertension; or
 - c) Stress, anxiety (including panic attacks) or depression?

Within the last 12 months:

3. Required referral to, or consultation (including appointments) with, a **medical practitioner**?
4. Required hospital treatment, investigation or check-ups (including routine check-ups)?

You must tell **us** about all medical treatments, appointments, tests, investigations, medical conditions or illnesses that apply to **you**, or anyone named as an 'insured party'. This is because **we** will not cover pre-existing medical conditions unless **we** have specifically accepted these in writing. If **you** do not tell **us** about **your** condition(s) then they will be automatically excluded under this policy.

This Policy will NOT cover any claims arising directly or indirectly from any pre-existing medical condition known to **you** prior to the commencement of the **period of insurance** affecting any **relative** or **travelling companion** who is not insured under this policy, or person with whom **you** intend to stay whilst on **your trip**.

All details that **you** supply will be confirmed to **you** in writing by **us**, along with a statement showing which – if any – medical conditions **we** have agreed to cover under **your** policy, and any which **we** have excluded. In the event of a claim relating to medical condition(s), **we** will check the details of **your** claim against the answers **you** gave to the medical screening questions. Any condition which was not notified and confirmed by **us** in writing as being covered, will be excluded under this policy – this means that **we** reserve the right not to pay any claim that arises as a result of that condition.

General policy conditions

All travellers insured under this policy must comply with these conditions in order to be covered.

1. All claims are subject to an excess, which **you** must pay before **your** claim can be completed or may be deducted from **your** claim. These are shown at the start of each section of cover. Excess will be applied per person or per **family**, per section and per incident which has led to a claim.
2. If **you** are travelling to European Union countries **you** should obtain a European Health Insurance Card (EHIC) postal application form from **your** local Post Office. **You** can also apply either online through www.dh.gov.uk/travellers or by telephoning 0845 606 2030. This will entitle **you** to benefit from the reciprocal health agreements, which exist between certain European countries. In the event of a claim being accepted for medical expenses which has been reduced by the use of an EHIC, or Private Health Insurance, the deduction of the excess under the medical section will not apply. When **you** are travelling to Australia and **you** have to go to hospital, **you** must register for and make use of the treatment offered under the national Medicare scheme.
3. If **you** intend to participate in a category two, three or four sports and leisure activity, **you** must tell **us** about this before **you** travel and pay an additional premium and **we** must confirm **our** acceptance in writing. Please note that **we** will not cover:
 - Any category two, three or four activity which is not noted on **your schedule**;
 - Any child under 10 years old if they are not supervised by an adult; or any person aged 66 or over;
 - Any person who receives financial reward (e.g. payment or prize money) as a result of participating in the activity;
 - Any liability arising directly or indirectly from **you** participating in a sports and leisure activity.
4. Reasonable care
 - Illness and **injury**: **You** must take reasonable care to avoid illness and **injury**, including when participating in a sports and leisure activity. At all times **you** should follow the directions of leaders/instructors, and the recommended safety procedures for that activity, to ensure **your** own wellbeing as well as the safety of those around **you**.
 - Loss or damage to **your** property: **You** must not leave **your** property unattended if it is in a place where it is accessible to the general public. 'Unattended' means not visible to **you** and not within **your** arms' length reach. **We** will not pay any claims for property left unattended in publicly accessible places. **Personal money** must be carried on **your** person, or locked in a safety deposit box or other similar locked and fixed secure location. **We** will not pay any claims for theft of **personal money** which was not carried or kept in accordance with this condition. **You** must act as though **you** are not insured.
5. Theft claims (including loss of **personal money**) must be reported to the Police as soon as possible after **you** discover the theft and a written Police report obtained confirming the loss. For theft claims from **your holiday** accommodation or motor vehicles, the report must confirm if there were signs of force and violent entry or exit. For theft claims from **your holiday** accommodation, a report from the accommodation owner confirming unauthorised access to **your** accommodation is required. If items are left unattended (not visible to **you** and beyond **your** arm's length reach) in a motor vehicle, they must be out of sight in a locked boot, glove compartment or covered luggage compartment. The maximum payable for theft from unattended motor vehicles is £100.

6. **You** are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act 2012 to take care to:

- Supply accurate and complete answers to all the questions **we** or the administrator may ask as part of **your** application for cover under the policy
- To make sure that all information supplied as part of **your** application for cover is true and correct
- Tell **us** of any changes to the answers **you** have given as soon as possible.

You must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to and renew **your** policy. If any information **you** provide is not complete and accurate, this may mean **your** policy is invalid and that it does not operate in the event of a claim or **we** may not pay any claim in full.

7. Subrogation – this means that **we** reserve the right to take over **your** claim after **we** have paid it, in order to recover payment from a third party. This may include taking legal action against third parties in **your** name. **You** must co-operate with **us** if **we** choose to do this; any action **we** take will be at **our** expense. In the event that property or liability covered under this policy is more specifically insured elsewhere, **we** reserve the right to seek a rateable share from the provider of the other policy – this does not apply to personal **accident**.

8. Any items which are the subject of a claim for damage, must be retained in case **we** need to inspect them – if required **you** will need to forward them to **us** at **your** own expense. Upon final payment of a successful claim, the items will become **our** property. However **you** must not abandon property to **us**; **we** will notify **you** if **we** intend to take possession of the item.

9. This policy is governed by English law. If there is a dispute between **you** and **us**, then it will be dealt with in the court of the country where **you** are a permanent resident. This policy may not be transferred to any other person and will end either at the end of the **period of cover** or the date the policy is cancelled.

10. There are certain changes which **you** must tell **your** broker about, as soon as they happen. These are:

- If the answers to the medical screening questions change, for any person insured under this policy;
- Changes to the health of anyone whose health could affect **your trip**;
- If there are any changes to **your holiday** dates of travel or location, or if there are any changes to the persons being insured by this policy (e.g. a child is no longer in full time education, or **you** change **your home** address).

If **you** do not tell **your** broker about these changes, then this may mean that **we** cannot pay **your** claim. Certain changes that **you** tell **us** about (e.g. medical conditions) may result in **us** altering the terms of cover or premium under this policy; **you** will be advised if this is the case.

11. **You** must not act in a fraudulent way. If **you** or anyone acting for you:

- Fails to reveal or hides a fact likely to influence whether **we** accept **your** proposal, **your** renewal, or any adjustment to **your** policy;
- Fails to reveal or hides a fact likely to influence the cover **we** provide;
